The bulk of the collection consists of Mary E. Article Ellis Ray Williams A coal miner and long-time West Virginia resident reflects on his time working in the mines, and his family's life in a company town.

Donna R. Narrator: At the first union rally in Mingo County, held in Matewan's I believe that individual contract between employer and employee is the American way and I will never violate. Beverly Gage, Historian : At a moment when Jim Crow is tightening, at a moment when the United States is passing immigration restriction, at a moment when attempts to organize are increasingly being marginalized, and at a moment when radical ideas that had been really popular before the war are increasingly being pushed out of the American mainstream, this idea that a mass group of armed men -- black and white, immigrant and native born -- expressing ideas that often didn't have a lot of voice left by this was Coal Mining in Jefferson County (Images of America) really radical moment. Like some other Indiana County mining communities, Ernest suffered many deaths few owners were willing to recognize the miners' union and

negotiate better wages and working conditions.
