Thankfully, modern publishing has provided simple solutions to this problem. With elections in our midst, we would like to nominate a write-in candidate that could change the shape of the future: Self-publishing! Imagine you are a cabinet-maker. There are few if any people who can do all of this well, as many parts of the public. This is used to provide data on traffic to our website, all personally identifiable data is anonymized. May I have the link to your website? A total edit at sentence and paragraph level. Money is an obstacle that nearly all self-publishing authors will face at the start of their career.
