This book was horribly written. Error, please try. These rules
included a ban on polygamy, prohibition based on affinity that
extended to a wide range of relatives and even to godparents
and their relatives, strict control of divorce with a
requirement for annulment by church authority and the ban on
marriages between an adherent of another religion and a
Christian.

Indeed, they turn away from it and consider it better to live without children
We have learned to fly the air like birds and swim the sea
like fish, but we have not learned the simple art of living
together as brothers. It was in the depths of despair that he
met Johann Staupitz, the vicar general of the Augustinian
order at the University of Wittenberg.
But this is especially true of those who are devoted to idleness and laziness
