Since I know this particular person walks in this world as a dark figure at best, could these dark orbs have some relative meaning as to the life she is leading that attracts the darkest of spirits. Want to Read Currently Reading Read. OpenPreviewSeeaProblem? View all 4 comments. In The Orb Projecttwo researchers present their fascinating discoveries about the nature of orbs, the situations in which their presence could be most easily detected, and what implications they might have for understanding humans' place in the cosmos.
