Migration policy Development cooperation United Nations Migration. IOM: a non-normative organization? Collective efforts aimed at reducing irregular migration flows in the neighbourhood Migration is both a cause and an outcome of globalization. However, the figures for asylum applications suggest that the Mediterranean routes may not be the only way of getting to Europe.

As a result, the EU and its Member States remain vulnerable to and are most like Bulgarian Presidency still tried a last attempt at rescuing the Dublin Reform by devising a number of compromise proposals that would have softened the obligations regarding a mandatory distribution key. The Global Migration Governance first draws the overall institutional design of global migration governance, before analysing the main pillars and building blocks of this multifaceted, if not convoluted, architecture.
