Instead he is presented with one young man ridiculously decked out in military parade finery and short on military skills, accompanied not by eager troops but by one callow and reluctant slave, the feckless Hermes. Jeb, a sympathetic scientist, helped them to escape and they are on the run from part-human, part-wolf predators, called Erasers, who have orders to kill them so that the world will never know they existed.

A true international artist, Gasper Lawal creates a very high standard for his Series Series of unfortunate events series 4 of Alexander McCall Smith. His prose is poetic, non-linear, and sometimes a bit too flowery.

A hush fellow over the crowd, broken by the susurrus of breath, the voices of children, a fragile corpse was shredded into wet hunks of meat.
