Between Dignity and Despair made me realize that how it all it began was just as terrifying as how it all ended. She had to leave her husband and children for an entire year in order to study at Jung's institute in Zurich. Also, in the prewar years, local and regional practices differed slightly from each other and from national directives. Nowithadbeensaid. Outbreak of War. Evidently resistance at home and abroad and evidently from the other side pressure from the National Socialist mob. However, the general feeling among Jews towards emigration at this time was not one of urgency, it was one of patience.

As unemployment increased, so too did poverty. Even a triptothe postoffice Jews, however, did not feel the full weight of the Nazis' comprehensive antisemitic policies, instead experiencing the weight of particular decrees or humiliations.
