Others taught that God merely protected the human authors from error in matters of faith and morals M. How is it that God "sovereignly controls the mind and personality" of a biblical author so that his "whole personality expresses itself naturally to write exactly the words God wishes to speak"? Updated April 17, The Spirit assists and directs him in such a way that he will... The faculty rightly saw that Lessius's inspiration hypotheses were the logical application of the general Jesuit idea of grace: they provided for both divine authorship and human literary freedom by making divine intervention only indirect. He must obviously be sure of his ground. The style is his because he is the author. When such action is accompanied by an infusion of the divine light, thereby ensuring the truth of the human judgment, one may speak of revelation in the strict sense; for God has disclosed to men truths that surpass their natural powers of reason or which they are naturally unable to attain in their peculiar circumstances. May 25,
