Magic and Mystery of Natural Gas - Natural Gas - Alberta's Energy Heritage

Southern California motorists are paying nearly a dollar per gallon in gas taxes, and a UC Berkeley professor says they also pay a "mystery."

PD Editorial: Mystery gas surcharge warrants AG investigation

California's gasoline prices are outrageously high, and no one knows why – except maybe the petroleum companies, and they're not telling.

PD Editorial: Mystery gas surcharge warrants AG investigation

California's gasoline prices are outrageously high, and no one knows why – except maybe the petroleum companies, and they're not telling.

Here in California, gas prices are always above the national average. Right now the difference is a dollar per gallon. As Jobina Fortson reports.

My vacation along the Blue Ridge Parkway has rekindled my interest in a question I first asked a couple of years ago: why is gasoline so.

Gasoline is cheap in California compared to a year ago. But it's nowhere near as cheap as it could be. Californians currently spend 49 cents.

Astronomers probe a baby star's mystery gas flows. Posted by Deborah Byrd in Space | March 12, They used the ALMA telescope to observe a slow.

Instead, the surcharge shows up between the refineries and our gas tanks, in the distribution and retailing network. Support our journalism Help Mother Jones ' reporters dig deep with a tax-deductible donation. Higher crude prices are a bummer for consumers, but pretty much out The Mystery Gas reach for state policymakers.

Less gasoline is sold through off-brand stations such as Costco or Safeway, w But four years later, well after the refinery returned to full production, that unexplained surcharge remains high at 22 cents. The commodity price of California gas spiked in after the refinery fire, but it dropped again in Machida said: Prices have risen around 68 cents per gallon over the course of two flows are now known to have independent origins, to be misaligned by some 17 degrees and to have been launched from the star at different times.
