Ade November 12, The great thing about Kijiji and other classifieds sites is that it is completely free to post in categories that you would pay for on Craigslist.

Just guaranteed you own the content or glance at the right stuff to show the material

Are you looking for ways to make money online? Glad to know that Mostafa! For me Craigslist still has a lot of potential and I will include that as a separate case study as there are still lessons to be learned from it, however at the same time as attempting with Craigslist, I also tried another classifieds site and this took off straight away.

You will probably have to waste a few dollars until you get used to the. The one you'll get paid somewhere down the road.
