**Permaculture In A Nutshell - Patrick Whitefield - Google ?????**

'Permaculture in a Nutshell, by Patrick Whitefield, was the first permaculture book I edited, way back in , yet it is as fresh and relevant today as it was then.

Related books: [Apocalypse with a Side of Grilled Spam - Episode Four \(The Strangelets Series Book 4\)](#), [Vendicatore : Savants of Corruption](#), [Weekend In The Wild](#), [I'm Black When I'm Singing](#), [I'm Blue When I Ain't and Other Plays](#), [Books For Kids Reading](#).

I didn't learn a lot of new information from it and it wasn't a comprehensive overview, but it was a good first read for getting the idea of what permaculture is about The further reading section is good - especially as it seems that doing permaculture properly Permaculture in a Nutshell does require a detailed understanding different plants and their ideal growing conditions.

PermacultureinaNutshellbyPatrickWhitefield.Can'tHurtMe. We offer great value books on a wide range of subjects and we have grown steadily to become one of the UK's leading retailers of second-hand books. Marlon Green.
