Despite this Rose insists that Gwyneth should not be used to mediate with the Gelth. So, read on, and meet the Doctors granddaughter, Susan, and begin your fifty year journey of Doctor Who as seen through the eyes of the companions, your guides on a fantastic adventure through space and time. GetACopy.July12am-July14pm. For her troubles she is chloroformed and shoved into the hearse, only to later awake in the undertakers being menaced by a zombie, another Gelth reanimated corpse. Product Reviews. Unusual for an unauthorised book but greatly appreciated is an eight-page insert showing the various covers from comics and annuals alike. OurLocations.Alan Kistler. However, the flexibility of the companions is that some of them can die in shocking ways,

some of them will leave, sometimes they will return, sometimes they won't, some of them can make huge mistakes, some of them will do what that even The Doctor doesn't dare to do, some of them can be from the past, some of them can be from the future, some of them are humans, some of them are aliens including Time Lords some of them are robots, even someone can become a sentient TARDIS!!!
