Showing of 4 reviews. I do like the Andre Klein books; he has at least two levels but I haven't progressed past the first one. I'd much rather read about grown-ups and also get a little humor injected now and . CompanyCredits. A visionary, Verne wrote about air, space, and underwater travel long before the ability to travel in these realms was invented, and his works remain amongst the most translated, most continually reprinted, and most widely read books of all time.
