When the fielding team gets their opponents' three batters or runners out, the teams swap roles. The Groundout: when the batter hits the ball but a defensive Baseball For Dummies retrieves it after it has touched the ground and throws it to another defensive player standing on first base before the runner arrives .

Each team has a farm system—a series of minor-league teams whose players are at various stages of development and which form the breeding ground for big-league players. So, every time a batter successfully makes it to first base, the other players on Baseball For Dummies second and third bases are able to trickle home, earning a point for their team each time.
