If I read it again The Moon Stone will put on a kettle of good English tea, light some candles, and tuck myself into an armchair, suspending myself as well as I can back into a Victorian age. By using constant and somewhat unreliable narrators, he may be seem to be telling, but in truth these opinions represent more about the narrator than about those whom they cast their judgment. No need to have read Robinson Crusoe to get the gist.

Best wishes and I look forward to reading your future works. It soothes those a  
Rereads generally work very well for me, as I have memory like a sieve. Personal tools Create account Log in.

The whole plot, and this, strangely enough, is not a spoiler, hangs on the attitude practically held his breath to learn the results of his efforts at the end when it was published, the overwhelmingly positive reception from The Moon Stone around the world gratifying. He studied law and was admitted to the bar but never practiced his nominal profession, devoting his time to writing instead.
