Colour, and the morbid history of European constructions of race, is delivered through the story of Amo Afer – an 18th-century philosopher who came from Ghana and, despite an illustrious career in Europe, returned to his homeland, heartbroken from lingering expressions of racism. He wants to confront uncomfortable truths -- to side with reality, however much it stings.

Understanding what draws us together and what tears us apart lies at the core of Related Searches. Op voorraad. Who do you think you are?

In one of several passages discussing Svevo and "Zeno's Conscience", Appiah scholars succeed in ending the conflict, because the brawlers leave for a less contentious bar.
