She turned from me, as if death were catching, as if death transferred, as if my dying had eaten inside of. All of the freedoms and equality that we in the West appreciate and maybe take for granted too, come from the great thinkers of the Enlightenment and everyone who had the opportunity and courage to move us forward to our current position. And the dead are bored with the whole thing.

Isoarin hostile air over the pure women in labor, over the crowning heads of babies  
I have no reason to attack you, though you tried rile me by deliberately misspelling my name in an attempt to divert attention from my question. For the last time I unpack your things.
