In Book Two, Thelyphron hesitantly relates a story requested at a dinner party that was previously popular with his friends: . How could you know, as you claim to, what the women did in private?

When Aristomenes expresses doubt, Socrates tells him not to criticize herbe

The plot revolves around the protagonist's curiosity curiositas and insatiable desire to see and practice magic. Lucius as the narrator often digresses from the plot in order to recount several scandal-filled stories that he learns of during his journey.

Apuleius was apparently quite a character in real life. And it foreshadows later works by Boccaccio, Rabelais, Cervantes, and Chaucer, to name only a .
