It is the 21st novel in the Alex Delaware series. When she finally comes to, Sherlock has no memory of the accident, nor of the moments that led right up to it.

Each victim bears a single gunshot wound to the head. In the end, turning the tables on her adversaries will require her to be as ruthless as they are. Law enforcement agencies typically guard murder books carefully, and it is unusual for civilians to be given unfettered access to these kinds of records, especially for unsolved cases.

Delaware sort through a maze of clues to find the child. It was a relatively minor criminal matter, all things considered, but enough that the U.
