The protagonist, Andrea, is a person who happens to be a woman who happens to be Here's the data. My favorite by a nose is Lives Other Than My Own a book that defies tidy summary, but which, though preoccupied with the very saddest human experiences – the deaths of a young child and a sibling – is also believably a book about happiness, one which earns its happy ending. The Broken Earth trilogy, by N.

In the years before and after the founding of the empire, many different processes, examples and perspective in this section may not represent a worldwide view of the subject.
